Dear Permit and License Holder:

The Permits and Licensing Unit of the San Diego Police Department has been asked by the Mayor's office to notify all holders of permits and licenses issued by the San Diego Police Department that the fees charged for permits and licenses are currently being reviewed to bring them into compliance with the General Fund User Fee Policy recently adopted by the City Council.

During the month of April 2009, the San Diego City Council will be reviewing the fee proposals submitted by the Police Department. The Council will review the possibility of cost increases to the permits and licenses. Your fees may be affected by this process.

If there are any questions regarding this notification, please contact the San Diego Police Department Vice / Permits and Licensing Section at (619) 531-2250.
